store

LEAGUE TABLES

PRODUCT DESCRIPTION – These tables are put together using financial and other data supplied by Company House. The latest figures are from the last set of accounts returned by the company. Where figures are not available from Company House we have used a variety of other sources. For multinational companies we have used the global turnover figure and for companies that retail as well as manufacture we have used the total turnover from all activities. The Knowledge Store is not responsible for omissions or errors.

INFORMATION SOURCES – Convenience Store • The Grocer • Forecourt Trader • Food Manufacture • Pro Wholesaler • The Retail and Shopping Centre Directory

List Accuracy: Our data is updated on a daily basis as a result of continuous process of feedback, telemarketing and research into the markets we serve. We work closely with trade associations, exhibition organisers, our advertisers and readers to ensure that William Reed titles have the most relevant and influential specifiers available. The Knowledge Store is a member of the Direct Marketing Association. All lists hold a full DMA List Warranty. All data is verified via the Mail, Telephone and Fax preference services as well as the Postal Address File.
