Tee time for charity

Visitors looking for a little light relief during their visit to this year's Restaurant

Show should head for stand B88, home of The Knowledge Store.

Once there they can take part in The Knowledge Store Open, a Nintendo Wii-based golf challenge, brought to you in association with San Miguel, which will raise money for Hospitality Action – the hospitality industry's benevolent organisation.

The Open features a top prize of a Nintendo Wii console. It's just £1 to enter the competition, with all money going to the Hospitality Action charity.

The Knowledge Store Open will use the Tiger Woods PGA Tour 10 golf game with Wii Motion Plus on the Nintendo Wii.

Visitors to the stand can also chat to The Knowledge Store team about its latest data and how it can help drive their businesses forward.
